

A yearly registration fee of **\$50.00 per family** is due prior to dancers receiving instruction. (If you have joined Inishfree within the last 6 months this does not apply to you.) This fee is only refundable in the event a dancer discontinues participation within the same month as the registration fee was paid. Tuition for that month is non refundable. This payment is not based on instruction of dance steps or time spent in the studio alone. Payment enrolls the dancer as an active member in a school of Traditional Irish Step Dancing certified and governed by Ireland. This enrollment allows dancers to participate in competitions, performances, classes, and other special events. Classes will be taught by registered TCRGs with An Coimisiun le Rince Gaelacha and/or assistant teachers appointed by Patrick McCarthy ADCRG or Pierce Beach TCRG

Tuition is broken into two separate semesters: August through December and January ending in late June. Members have the choice to pay in full per semester or opt to pay in monthly installments. However, if you choose to pay per month the tuition is paid the final week of the month. If tuition is not submitted before the end of the first week of every month, there will be a late fee of \$10. It is expected that the semester fee will be paid in full over the course of the semester. Upon a dancer's decision to discontinue their membership, past payments will not be reimbursed. If the semester fee or monthly installment is 30 days in default, it will result in suspension of the dancers involvement of all dancing privileges including classes, competitions, performances, etc.. Your signature below indicates you understand and agree to the financial terms listed above. Also, it is your responsibility to join the Inishfree yahoo group as it is our main form of communication with our school.
